

On April 9, 2010 our favorite Admiral, Rear Admiral Larry Marsh, (Ret.) was invited to speak to the 200+ Naval ROTC Cadets at Taft High School NJROTC and to attend their 2010 Annual Taft High School NJROTC Military Ball. His trip to Chicago created an opportunity for the Reunion Committee to have another Mini-Reunion we called "Lunch with the Admiral". This scrapbook contains the pictures from these events.

Yet another Mini-Reunion, "Lunch with the Admiral".

Larry showed the 18 minute version of our 50th Reunion DVD "Taft the Movie". The cadets were really interested in what life at Taft looked like fifty years ago. Needless to say the Admiral was a big hit.

The NJROTC head, Lieutenant Commander Paul Muffler, Admiral Larry, Taft Principal Dr. Tarvardian, and the two Taft Assistant Principals, Mary Kay Cappitelli and Eric Flores.

Cadets taking a picture with the Admiral. Larry's conversations with the cadets centered around wishing them the best in the future, telling them to make the most of the great school they were fortunate to attend, and trying to convince all to volunteer for the 'Silent Service'... Submarines!

As perhaps the oldest person on the dance floor... but here we see the Admiral demonstrating that he's still 'got it' as he does the Electric Slide and Macarena line dances with the best of them.

STILL GOT IT?
