A lot can happen in ten years  
As all of us well know  
But what about each classmate?  
That's what this book will show.  
From that Thursday night in June  
Fifty-nine was the year,  
To this night at Chevy Chase  
We're happy that you are here.  
As you browse through these pages  
Renewing friendships of the past,  
Think about our high school days  
And how quickly they have passed.  
Remember back to our Freshie Days  
When all of us were meek?  
But how quickly, as Sophomores,  
More glory we did seek.  
They we all were Juniors  
What a gala time we had,  
At last we reached our Senior year  
With everyone so glad.  
After graduation  
Our separate paths we took,  
But once again we're reunited  
By the pages of this book!

THE PASSAGE OF TIME SINCE OUR GRADUATION HAS PRODUCED SOME INTERESTED STATISTICS. THE FOLLOWING FIGURES INDICATE TO SOME EXTENT THE ACCOMPLISHMENTS OF OUR CLASSMATES OVER THE PAST TEN YEARS.

Out of 302 graduates, 159 have replied. Out of those who replied, 147 are married and 12 remain single. Out of those married, 33 selected fellow Eafites as their mates. Of those, 5 couples married within the class. The marriages have produced a total of 217 children, with boys running ahead of girls at the rate of 115 to 112. Our mathematical brains further reveal the average family size to be 1.48 children.

After graduation 111 (or 69% of those responding) attended college and 58 received degrees. Nine received advanced degrees. Two attended service schools, one at West Point and one at the U. S. Naval Academy. We have 12 Teachers, one Lawyer, 2 Physicians, 2 Dentists, 6 Nurses, 2 Policemen, 6 presently in Military Service, one Minister, one Archetect, and one Professional Athlete.

According to our mailing list, 25 classmates have left the Chicagoland area and reside in other parts of the U. S. A. or other countries.
