Taft's Golf Team has done an outstanding job of bringing fame to Taft. Mr. Jack Rapper is the coach of the team, and last year and the year before he turned out the City Champion Team for 1956 and '57. Last year we also had the city champion playing on our team, John Chiou.

The boys play out at O'Hare Golf Course and have not lost a match in more than two years. They went downstate for the state tournament and placed in the second division.
