NO. 3 (Mini-Reunion I)

THE OCTOBER 6, 2007 MINI-REUNION WAS SUCH A GREAT SUCCESS

On October 6, 2007 thirty-seven classmates and seventeen of their guests attended a Mini Reunion at the Forge Club in Vernon Hills, Illinois. Reconnecting with friends and former classmates is what the evening was all about. We had a great time! All agreed the evening was too short and that we should do another "Mini-Reunion" next year.

Reunion Chair, Larry Marsh speaks to the group about future plans.

Here retired Admiral Larry Marsh efficiently organizes the group for a class picture +47 years, and he did it like we were all members on one of his nuclear submarines. Thank goodness there was a leader in the group since chaos was rampant.
