

50th Anniversary Reunion Celebration
CLASSMATE SCRAPBOOK
FAREWELL BREAKFAST & DEPARTURE

FAREWELL BREAKFAST

*In spite of a three day 50th Anniversary Reunion, (September 25, 26 & 27), in spite of the Hilton Garden Inn having plenty of places for two and three people or small groups of classmates to gather and reconnect, and regardless of the six organized event occasions to visit with classmates: 1. the Special Chicago Bus Tour, 2. the Welcome Reception, 3. the Gala Banquet, 4. the Taft School Tour, 5. the Saturday night Grammar School Dinners and 6. the Farewell Breakfast, the only complaint we heard from many who attended was: **"There just was not enough time to get around to visit with everyone I wanted to see and talk to."** You could tell this feeling was mutual for those that attended the Farewell Breakfast . . . NO one wanted to leave!*

We had the Lindbergh Room booked from 9am to 11am for the Farewell Breakfast, and we were asked to wrap it up about 1pm by hotel staff so they could set up for the next party!
CONCLUSION: It's hard to update friends about 50 years of your life within the 22 hours of six organized events. So, we simply have to do it again and fulfill our motto of "Together Again & Staying Together"
